8"x10" Wall Decor Print Samples

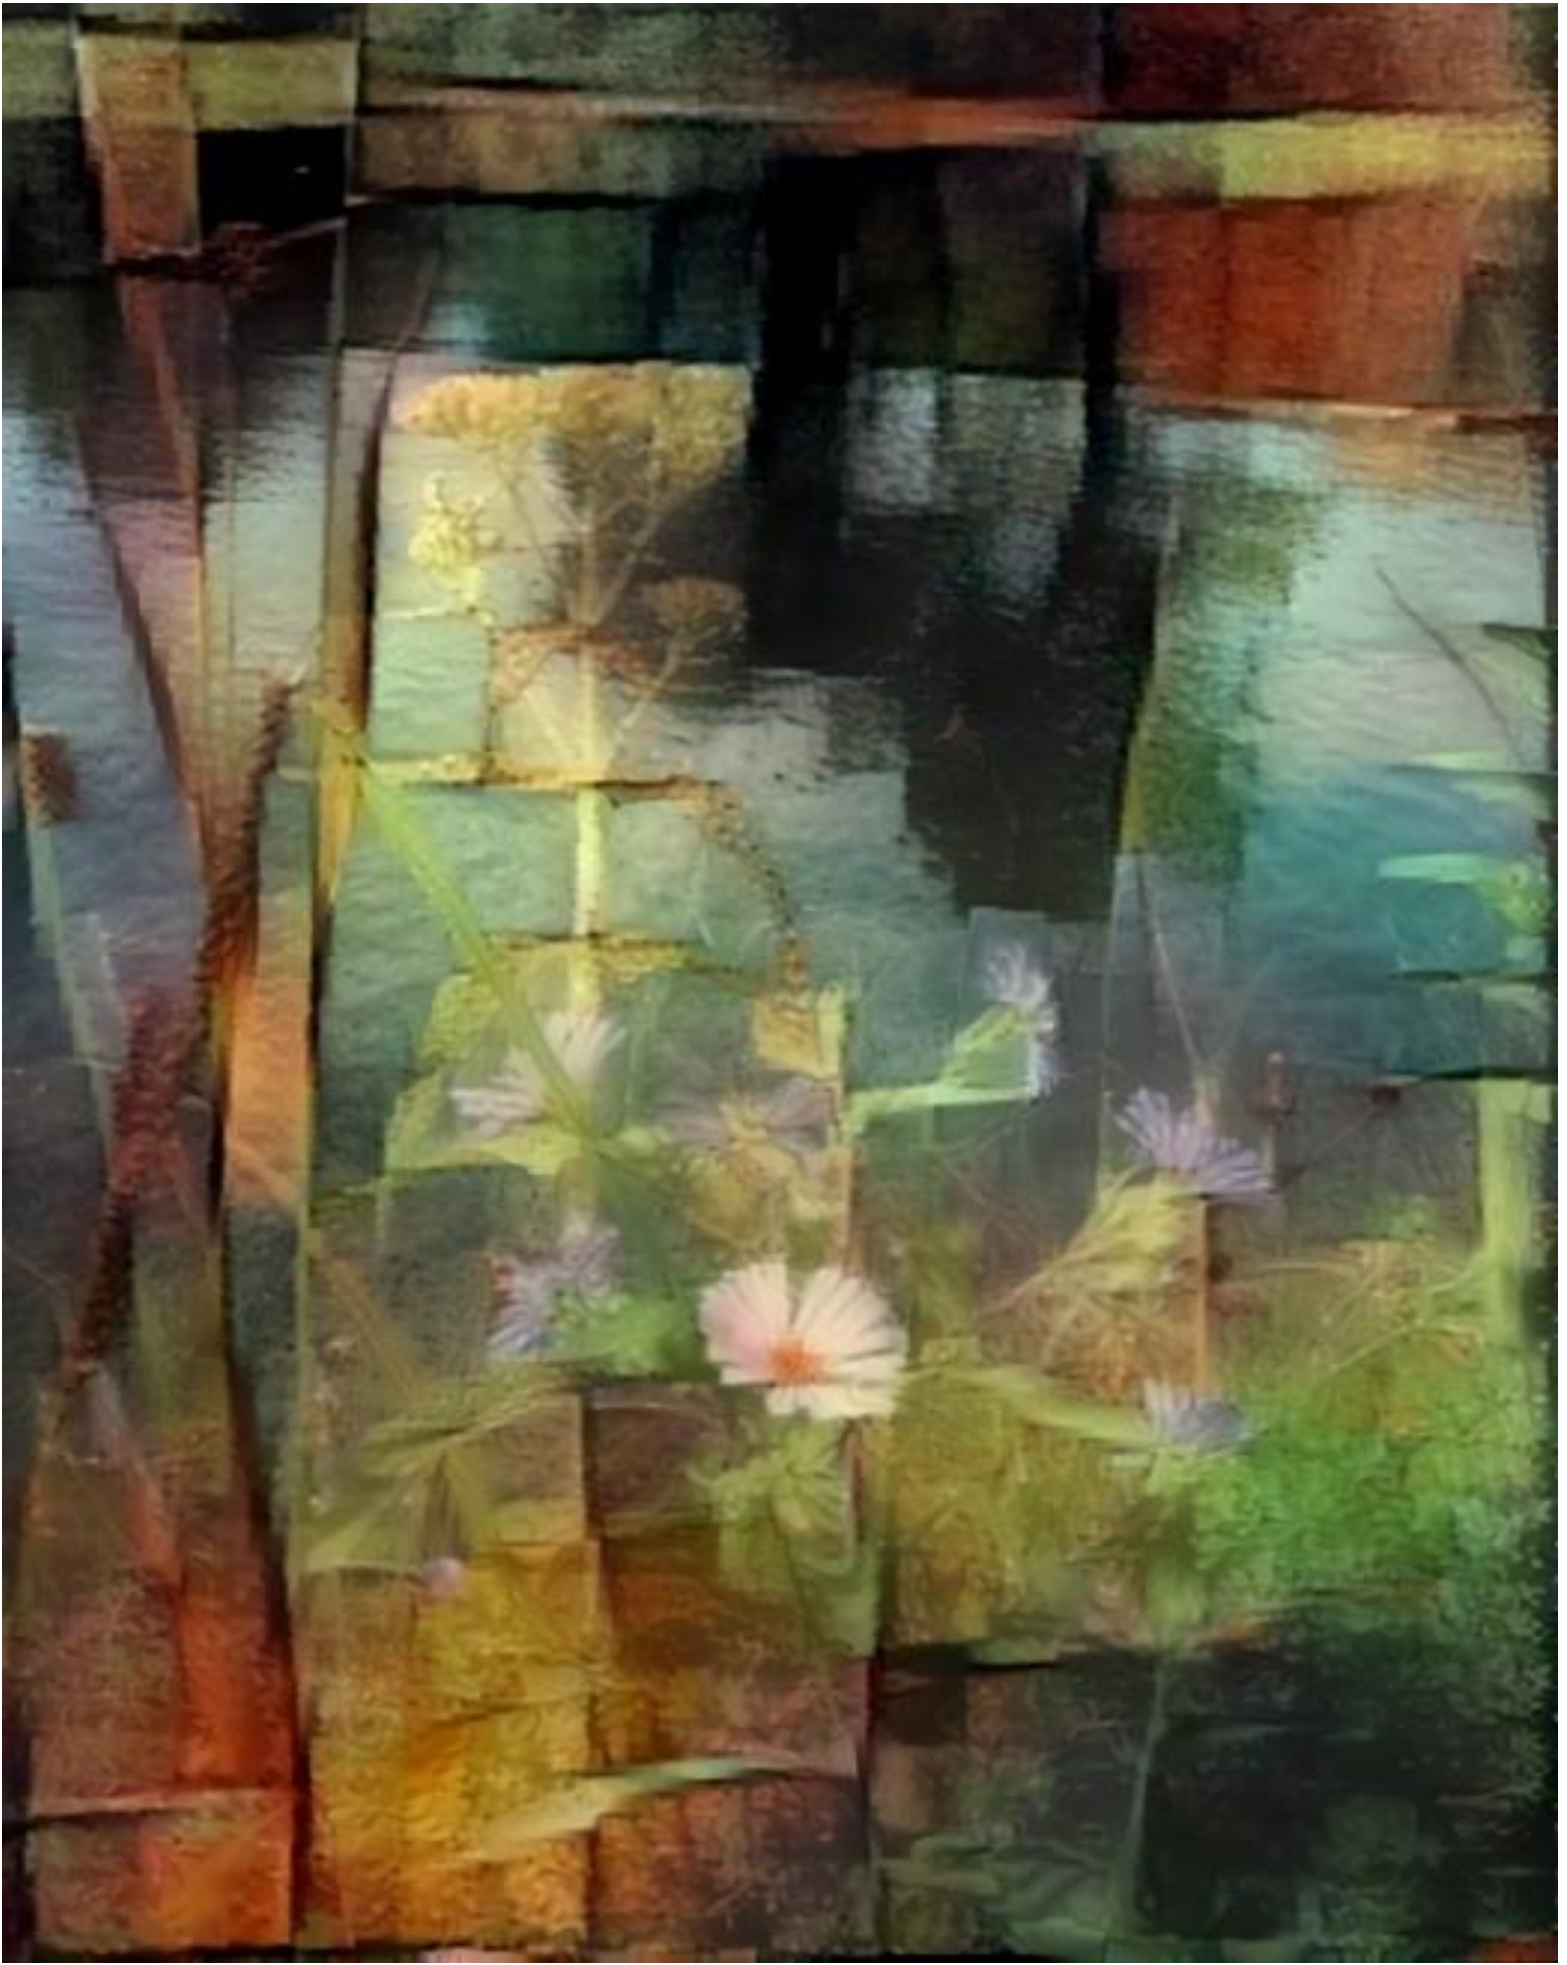

by Don Berg

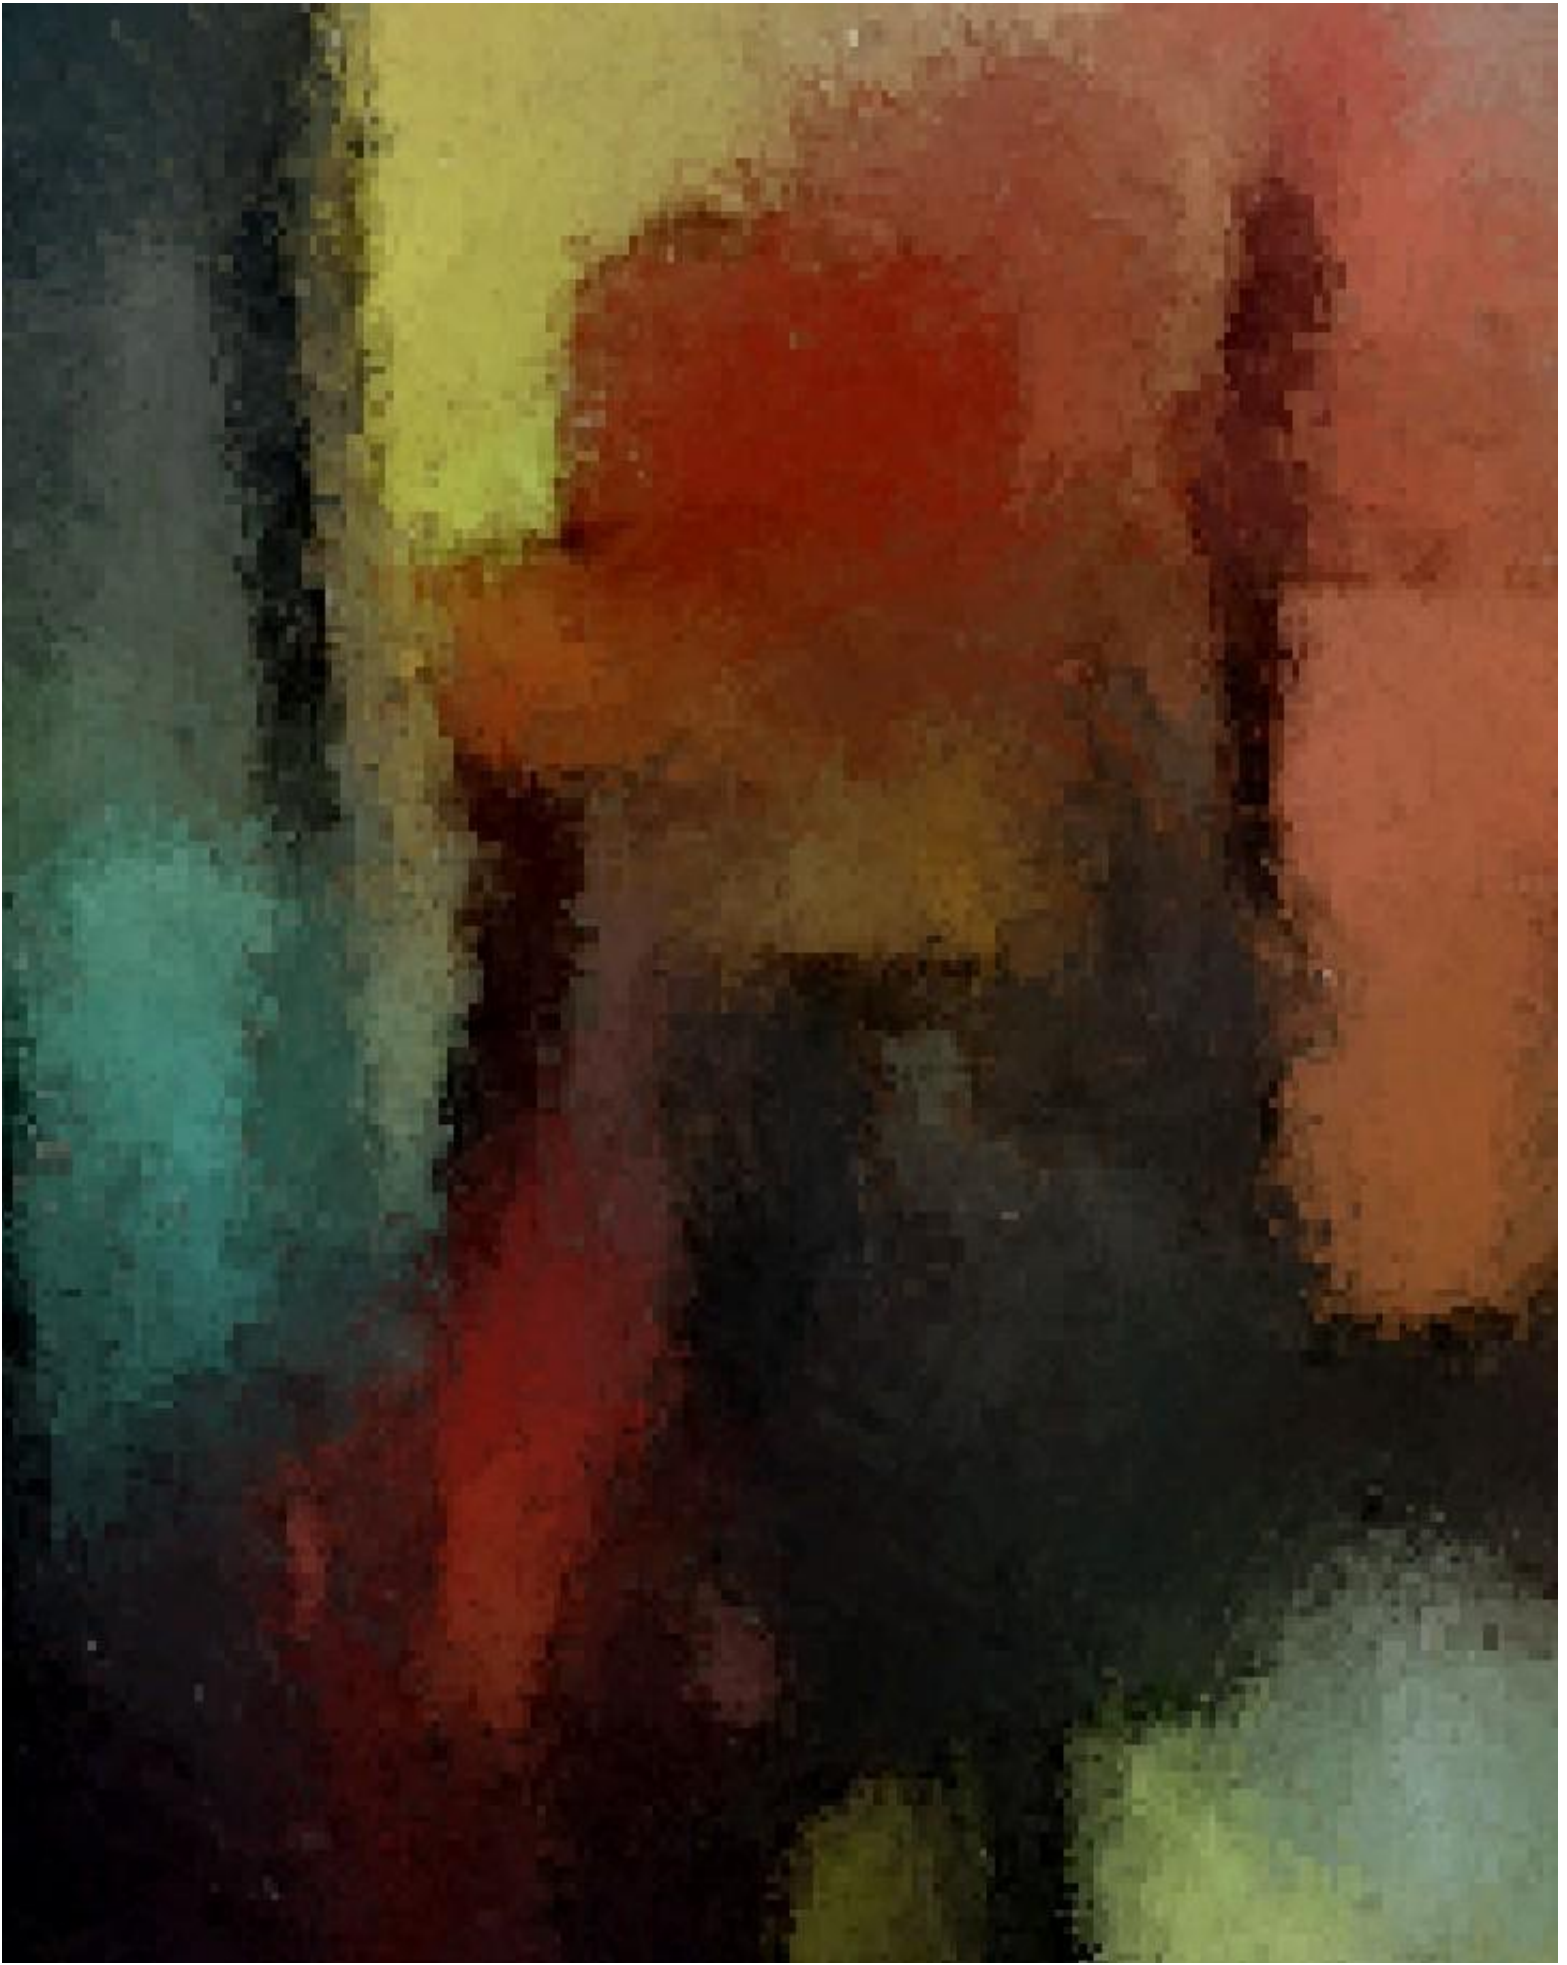

The 8"x10" (20x25cm) images below will print on 8 1/2"x 11" Letter Size or A4 paper, board or ink-jet canvas for mounting in 11"x14" (28x35 cm) mats and frames. You'll do best if you set your computer's printer to its highest quality, use fresh ink and print on matte or low-gloss photo paper or ink-jet canvas.

Download Four Hundred+ Wall Decor Prints

Add some color your home's walls the quick, easy and inexpensive way. Download decorative prints and choose your favorites from among more than 400 for just \$29.00 today.

Find landscapes, still life images, abstracts, kitchen art, flowers and nature studies. Choose black and white images, bold colors or unique wall tone prints that have mix of both cool and warm background tones to complement almost any decor.

Most of the images are 8"x10" for standard 11"x14" mats and frames. But, the collection also includes 5"x7" prints for 8"x10" mats and 10"x15" prints for 16"x20" mats and frames. For the larger images, you'll need to print on 11"x17" Ledger paper with a large format computer printer, or just email the file to a commercial printer.

You'll be able to download as many images you like and print them as often as you like.

The print set cost \$29.00 and will be delivered instantly by a link to an easy-to-use web page with instructions for printing your wall art, metric conversions and a bonus set of more than sixty easy do-it-yourself wall art paint-over patterns and sketches.

Created by architect Don Berg, these prints are designed to complement all popular wall paint colors and room accents.

Your print set will come with a complete money-back guarantee.
